**Date: June 2006**

**Total Respondents:  242 members**

| 1. Do you or does your employer use Autodesk-compatible products from third-party developers? | # | % |
|---|---|---|
| Yes | 154 | 64% |
| No | 88 | 36% |

| 2.  What are your primary sources of information about Autodesk-compatible (add-on) products? Check all that apply. | # | % |
|---|---|---|
| Autodesk (including its website) | 91 | 38% |
| Co-workers or company management | 59 | 24% |
| AUGIWorld magazine | 79 | 33% |
| Other print magazines or e-zines | 58 | 24% |
| AUGI HotNews monthly e-newsletter | 41 | 17% |
| Learning and networking events such as AUGI CAD Camp and Autodesk | 28 | 12% |
| The AUGI website, including the forums | 53 | 22% |
| Google or other Internet search engine | 57 | 24% |
| My local user group | 13 | 5% |

| 3. How would you rate the importance of using third-party products to complete your day-to-day tasks? | # | % |
|---|---|---|
| Very important | 73 | 30% |
| Somewhat important | 74 | 31% |
| Not at all important | 6 | 2% |

| 4. Please select the general industry or discipline grouping that best fits your company. | # | % |
|---|---|---|
| Building (architectural, engineering, construction) | 74 | 31% |
| Mechanical/Manufacturing | 22 | 9% |
| Infrastructure (GIS, civil engineering, mapping) | 45 | 19% |
| Digital Media (graphics, games, animation, etc.) | 0 | 0% |
| Education | 0 | 0% |
| Government | 12 | 5% |

| 5.  If an objective source offered a "stamp of approval" or guarantee of compatibility with Autodesk products, would you be more likely to try third-party products, less likely to try third-party products, or would this have no impact on your decision to try third-party products? | # | % |
|---|---|---|
| More likely to try | 103 | 43% |
| Less likely to try | 3 | 1% |
| No impact on my decision | 48 | 20% |

| 6.If you answered "No" to Question 1, please indicate your primary reason below. | # | % |
|---|---|---|
| The Autodesk product I use satisfies all of my requirements. I don't need to use add-on or complementary software | 59 | 30% |
| There are no third-party products available to support the Autodesk product I use. | 7 | 4% |
| I'm concerned about the quality of third-party products | 6 | 3% |
| We develop our own in-house complementary software | 11 | 6% |
| I don't know where to find information about third-party products | 6 | 3% |
